 - Emergency Descent Mode
- Cirrus IQ™¹

ADDITIONAL OPTIONS**Complete Seats** \$19,900

Have it all with this package. Complete Seats include two bolstered executive seats, one standard middle seat with armrests, two XC seats and a matching center console.

DME \$14,900

Distance Measuring Equipment (DME) is a transponder-based radio navigation technology that measures slant range distance. This DME unit may be required for operations in certain countries.

Relief Station \$19,900

The modular seating system allows you to replace a seat with an on-board relief station. This additional option will be greatly appreciated by passengers.

Price adjustment will be applied according to the consumer price index for all urban customers (CPU-I) provided by the United States Department of Labor – Bureau of Labor Statistics from date of signed reservation agreement to date of signed purchase agreement.

¹Subscription required - standard in all active JetStream programs.

ELITE

With Elite, technology and luxury are tastefully elevated to create the ultimate Personal Jet experience. The Vision Jet Elite takes you to a higher altitude of uncompromising beauty, comfort and advanced function. Elite includes **Enhanced Awareness**, **Pro Pilot**, **Premium Luxury**, **Connectivity** and **Productivity & Experience**.

Enhanced Awareness

New weather tracking tools are available for precision analysis in real-time. The enhanced **Digital Real-Time Auto Radar** scans areas of up to 120° for storm tops and cell buildup at various altitudes. Fly easily at night with an eye on the weather with the **Enhanced Vision System**. This infrared camera captures the image of what is outside the aircraft and reveals any hazards in the air and on the ground. Know your location, on the airport or while approaching, with **runway alerts** and **takeoff/landing distance data** available through **SurfaceWatch** and **ChartView**.

Pro Pilot

A professional pilot requires professional equipment. The **Traffic Avoidance System** outfits your Vision Jet with **TCAS-1 Traffic Targeting** plus **audible intruder alerts**. Your peace of mind also increases with a **third Attitude Heading Reference System/Air Data Computer** and **additional Digital Diversity transponder**. The added ADAHRS increases redundancy and crosschecking capabilities to your Cirrus Perspective Touch+ cockpit. Increase your Vision's utility with a **Co-pilot Quick-Donning Mask**.

Connectivity

New for G2+, **In-flight Wi-Fi¹** provided by Gogo will keep you in touch with access to the internet while cruising in the flight levels. The **Perspective Global Connect²** allows **text messaging** and **phone call** functions directly from the cabin. The level of convenience and safety provided by **worldwide Iridium Datalink Weather²** offers connectivity and peace of mind. Wirelessly transfer your flight plan, text and make calls with your cellphone on the Iridium® network² or choose your XM station from any seat in the cabin all with **Flight Stream by Garmin®**.

Productivity & Experience

Gold Reflective Windshield and **Cabin Windows** create a warm lighting experience and ensure heat is deflected. Set the cabin to the perfect temperature without disturbing your pilot using the **Rear Climate Controls** positioned for passenger input. Maximize your experience with **22" LED LCD Entertainment Display** for both work and play. Enhance productivity and keep passengers connected by incorporating power outlets. The **115 VAC Inverter** ensures you will never be far from a convenient power supply.

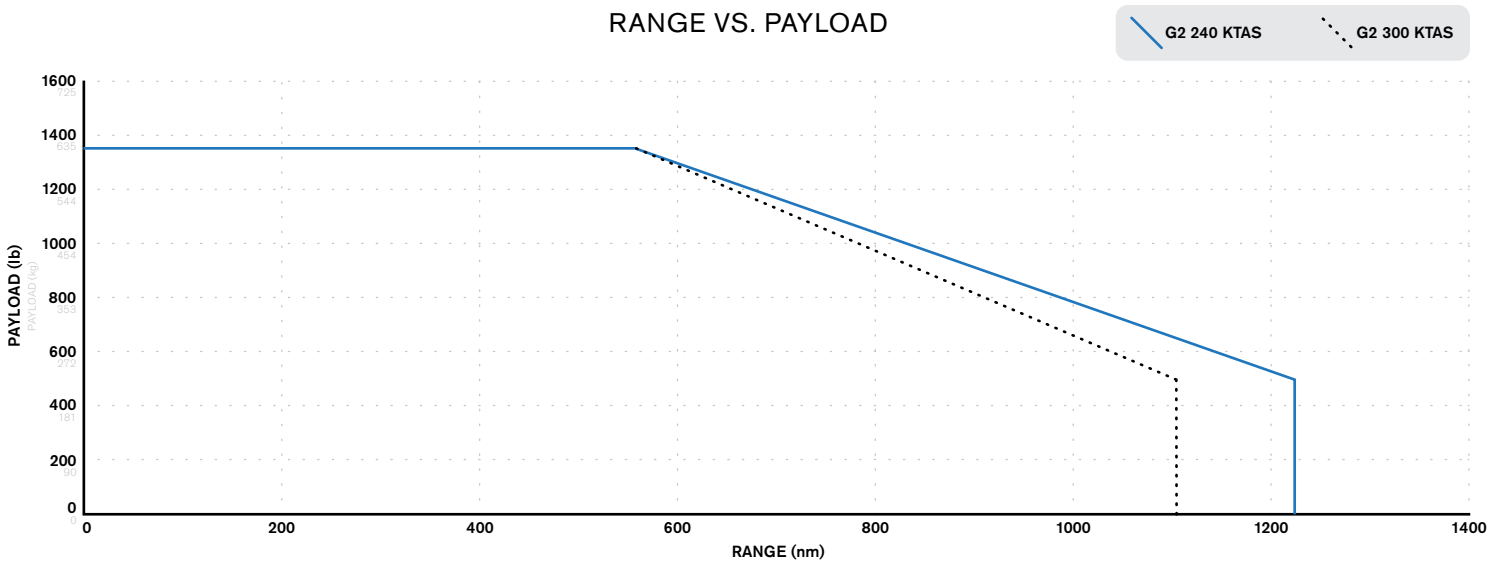

Premium Luxury

Enhance your Vision Jet experience with a selection of **Premium Leathers and Carpet** that are carefully crafted to interact harmoniously throughout the cabin. Each seat benefits from **Enhanced Dimmable Accent Lighting** fused with **Textured Fabrics** to provide an inviting personal space. Plus, the inventive lines and distinguishing **Multi-tone Paint** define every curve for a stunning tarmac presence.

Executive Seating Enjoy two well-appointed, bolstered seats and a center console with stow-away tray tables; the perfect solution for extra storage of must-have items. Passengers will appreciate extra utility and luxury details designed for their comfort.

Family Seating Maximize your cabin capacity with 7 seats. This package adds 6th and 7th XC seats to include the smaller members of your family, too.
